ASKNETIC GROUP

AGRO CROP

Supporting our local farmers is a very crucial value at Asknetic. We deal with organic cash crops like sesame seeds, cashew nuts, maize, mung beans, wheat and etc.

We are aiming to be the leading Exporter of bulk agricultural commodities around the world by offering the market with affordable and high quality organic products. We want to be the best Halal certified meat sellers from Africa.

Our customers should be assured that the meat they receive has been carefully and hygienically prepared in accordance with the highest international standards. We ensure total quality control from beginning to end of our production process.

REAL ESTATE

Asknetic signifies an energetic and contemporary future in property services. We like to think different and be different, but we combine that with our traditional and familiar practices of providing no nonsense, down to earth advice and service. We offer an advanced and innovative approach towards real estate and how to market, lease and sell property using new and progressive marketing platforms and methods, particularly within the ever-expanding digital era of marketing and all that it has to offer. You can expect to see an enhanced array of marketing ‘ solutions’, as our new name would suggest.
Asknetic we love talking about real estate and connecting with people from all walks of life. We would invite anyone to drop in, speak to our team and see what we are all about!

ASKNETIC
GROUP
